## **McKenzie County Water Resource District Announces Voluntary Water Restrictions Due to Main Line Repair**

**McKenzie County, ND**—Jeff Shaffer, Director of McKenzie County Water Resource District is asking for the public's help in preparation for a new repair that will significantly impact water usage in McKenzie County.

Recently, WAWS had a break in the 20" water main serving all of McKenzie County and Watford City. During that repair, widespread outages occurred. Another leak has been discovered on this same line, and repairs will begin this Thursday morning, July 20<sup>th</sup> at 6:00 am.

**We are asking all Rural Water customers, as well as Watford City customers to shut off all irrigation and unnecessary water usage for 24 hours, between 6:00 am Thursday, July 20<sup>th</sup>, and 6:00 am Friday, July 21<sup>st</sup>.**

Please contact McKenzie County Water Resource District if you have any questions during office hours at 701-842-7437, or email Patrick Perkins, McKenzie County Water Resource Assistant Manager at [pperkins@co.mckenzie.co.nd.us](mailto:pperkins@co.mckenzie.co.nd.us)
