ARTICLE 3 GENERAL PROVISIONS

3.1 Compliance

No building or land shall hereafter be used or occupied and no building shall be erected, moved or altered unless in conformity with these regulations.

3.1.1 Building Height, Lot Area and Yards

No building shall exceed the height, occupy larger part of lot area, and no lot shall be created smaller than the requirements of these regulations.

3.1.2 Substandard Lots

All existing lots at the date of adoption of these regulations shall be deemed buildable unless for the reasons of land suitability, flooding and other physical limitations contrary to the purpose of these regulations.

3.2 Amendments

The Township Board of Supervisors may, from time to time, amend, supplement or repeal any part of these regulations after a public notice and hearing.

3.3 Comprehensive Plan

These regulations are administered and enforced to implement the Comprehensive Plan of the Township, a document adopted by the Board of Supervisors as a policy guide for protection of the Township's natural resources and accommodating the type of development deemed appropriate including but not limited to the following objectives.

- 3.3.1** To conserve and enhance the taxable value of land and buildings in the Township.
- 3.3.2** To encourage the most appropriate use of land in the Township.
- 3.3.3** To protect the character and maintain the stability of farming activities and production.
- 3.3.4** To regulate and restrict the location and intensity of use of buildings and land not related to farming.
- 3.3.5** To separate and control unavoidable nuisance production uses to minimize the adverse impacts on the surrounding areas or uses.
- 3.3.6** To facilitate traffic movement and promote development of compatible uses.

3.4 Non-conforming Uses

The lawful use of a building or premises existing at the date of adoption of these regulations may be continued. Where a non-conforming use is discontinued for a period of more than twelve consecutive calendar months any subsequent use or occupancy of such premises shall conform to these regulations. Whenever a building is destroyed or damaged by fire or other casualty to the extent of more than sixty percent (60%) of its market value it shall not be restored unless said building shall conform to the provisions of the district in which it is located. Non-conforming uses shall not be expanded to occupy a larger area of land than existed at the date of adoption of these regulations unless approved by the Zoning Commission after a public hearing.

3.5 Land Suitability

The land shall be used for a purpose which is held unsuitable for the reason of flooding, soil limitations, inadequate drainage, incompatibility with adjoining use or any condition likely to be harmful to the health, safety or the welfare of the people in the area. The Township Zoning Commission may require information and data to determine the land suitability. The Township may consult with county and state agencies to assist in its determination.

3.6 Conditionally Permitted Uses

Where a use is classified as a conditional use under these regulations and exists at the date of adoption of these regulations, it shall be considered a permitted use. Where a use is not allowed as a conditional use or permitted use, under these regulations, and exists at the date of adoption of these regulations, it shall be considered non-conforming and shall be subject to the non-conforming buildings and use provisions.

3.7 Road and Highway Access

A permit for access to the Township roads is required by the Board of Supervisors. In granting the access permit to the township roads, the Board of Supervisors may adopt rules and regulations as to the number of access points per mile, the width, construction and other features of the access to the adjoining properties. The Board of Supervisors may place conditions when gaining a road access permit. Farm driveways and field access points are exempt from these provisions.

3.8 Road and Highway Setback – Tree Plantings, Shelterbelts

All buildings and structures shall be placed at least 100 (one hundred) feet from township, county and state highway right-of-ways for the purpose of preventing hazardous accumulations of snow and to allow for future widening of public right-of-ways. Tree plantings and shelterbelts shall be planted 150' from center of the road.

3.9 Building Permit

- 3.9.1** No building or structure greater than one hundred twenty (120) square feet for residential or commercial purposes including accessory uses shall be built, altered, or moved, until a building permit has been obtained from the Zoning Commission
- 3.9.2** No permit shall be required for maintenance or repair of any building which does not alter the plan or size of the building or structure.
- 3.9.3** No building permit shall be required for agricultural use.
- 3.9.4** No building permit shall be issued until the Board of Township Supervisors has granted, in writing, a road access permit for access to the lot upon which the permit is requested, and that access to the property for which a permit is sought conforms to Township standards.
- 3.9.5** The State Building Code, Electrical Code, and Plumbing Code as established under the North Dakota Century Code shall be the Building Codes of Antelope Creek Township for regulating and governing the conditions and maintenance of property, buildings, and structures.

ARTICLE 4 ZONING DISTRICT BOUNDARIES AND MAP

4.1 Zoning Districts

In order to carry out the purposes and provisions of these regulations, the following zoning district is hereby established.

4.1.1 RA – Rural Agricultural

4.2 Zoning District Map

4.2.1 Zoning Districts

The location and boundaries of the zoning districts are hereby established as shown on the “Zoning District Map” on file in the Office of the Township Code Administrator. The zoning district maps, together with all information shown thereon and all amendments thereto, shall be an integral part of these regulations.

4.2.2 Public Roads and Highways as Boundary

When zoning district boundary lines are indicated as following roads and highways or extensions thereof, such boundary lines shall be construed to be the center line of said roads and highways or extension thereof unless clearly shown to the contrary.

4.2.3 Property Line as Boundary

Where a zoning district boundary line coincides approximately but not exactly with a property line, the zoning boundary shall be construed to be the lot line at that location. All section lines and quarter section lines may be construed as the property lines.

4.2.4 District Description for Unsubdivided Lands

For unsubdivided property, zoning district boundaries are determined by metes and bounds description or by a legal description as seemed necessary.

4.2.5 Vacated Areas

Where a public road or highway is vacated by the official action of the Board of Township Supervisors, the zoning district boundaries shall be extended to the center of the vacated public road or highway.

4.2.6 Zoning District Boundary Interpretation

Where any uncertainty exists as to the exact location of the zoning district boundary lines, the Board of Supervisors shall determine the locations of such boundary lines.

4.2.7 Zoning District Map

The official zoning district map shall bear a certificate with the signature of the Township chairman and certification of the township clerk and date of adoption of the zoning map as an integral part of these regulations.

ARTICLE 7 ADMINISTRATION AND ENFORCEMENT

7.1 Organization

To administer these regulations the following bodies are hereby vested with authority to act on behalf of the Township:

- (1) The Code Administrator
- (2) The Zoning Commission

7.2 The Code Administrator

The Code Administrator is a duly appointed township official authorized by the Board of Supervisors and is responsible to administer Zoning Regulations, to assist the Zoning Commission, and the Board of Supervisors on any matter related to planning for and development of the township.

7.2.1 Duties

- 7.2.1.1** Issue all zoning certificates, permits and maintain records thereof.
- 7.2.1.2** Maintain zoning related records and zoning district map including records of all amendments, conditional uses and variances.
- 7.2.1.3** Receive, file and forward to the Zoning Commission all applications for zoning amendments, site approvals and conditional uses.
- 7.2.1.4** Prepare and publish notices and notify adjoining property owners.
- 7.2.1.5** Notify, in writing, the property owner or user upon finding violation of these regulations and cite the nature of violation clearly and require compliance within a reasonable time. If the notification is not replied to or steps are not taken to correct the violations within 30 (thirty) days, the Code Administrator shall make a report of the findings to the Board of Supervisors.

7.2.2 Interpretation of Regulations

All questions of interpretation of these regulations shall be presented to the Code Administrator and that such questions shall

be presented to the Board of Supervisors only on appeal from the decision of the Code Administrator.

7.2.3 Conditional Use and Site Approval Permits

The Code Administrator shall issue a conditional use or site approval permit upon approval of the application by the Zoning Commission stipulating all conditions set forth.

7.2.4 Variances

The Code Administrator shall issue a permit on the decision of the Board of Supervisors. The terms of the variance or special use shall be stipulated on the permit.

7.3 The Zoning Commission

The Zoning Commission shall consist of the five (5) Township supervisors and appointed members under the authority of Chapter 58-03-13 of the North Dakota Century Code.

7.3.1 Duties

7.3.1.1 To hear and act on all applications on a case by case basis for amendments to zoning districts and take action for approval, denial or approval with modification.

7.3.1.2 To hear and act on all applications for conditional uses site approvals on a case by case basis in the manner prescribed in these regulations and take action for approval or denial.

7.3.1.3 To study, examine and take action on issues on a case by case basis which may adversely affect the natural resources and farming operations in the Township.

7.3.2 Notice of Hearings

The Zoning Commission shall fix a reasonable date for hearing of applications for zoning district amendments, conditional use permits, site approval applications and other matters before it, give public notice thereof in the official newspaper of the county and the nearest regularly published newspaper at least 15 (fifteen) days prior to the hearing. The notices shall give time and place of hearing and shall state the purpose of the hearing and that the applications and supporting documents for zoning district

amendments and conditional use permits shall be available for public inspection by the Code Administrator.

7.3.3 Meetings

Meetings of the Zoning Commission shall be held at the call of the Chairperson and at such other times as the Zoning Commission may determine. All meetings shall be open to the public and any person may testify for or against a petition.

7.4 Violations and Penalties

Any person who violates any provision of these regulations or fails to comply with any of its requirements including the conditions or modification of use, building or structure shall upon conviction thereof forfeit not more than \$100 and in addition pay all expenses involved in the case. Each day such violation continues shall constitute a separate offense.

**ARTICLE 8 PROCEDURES FOR AMENDMENTS, CONDITIONAL
USES AND VARIANCES**

8.1 Zoning District Amendments

8.1.1 Public Hearing Notice

The Zoning Commission shall hold a public hearing, a notice of which shall be published at least 15 (fifteen) days prior to the hearing in the official newspaper of the county. The notice of hearing shall include: (1) the time and place of hearing; (2) description of the property by street address for platted lands and clearly identifiable location for the unplatted lands; (3) the proposed use and requested zoning district change; (4) time and place for public inspection of the documents before the hearing.

8.1.2 Public Hearings

The Zoning Commission at the hearing shall listen to all persons who may speak in support of or in opposition to the proposal. Upon the completion of its review, the Zoning Commission shall take action for approval, denial or modification of the petition. The Zoning Commission may require additional information before it completes its findings and takes action.

8.1.3 Data Submission Requirements

Petitions for zoning district change and conditional uses shall be submitted with the following information:

8.1.3.1 Legal description of the area proposed to be rezoned.

8.1.3.2 A map showing the existing land uses and zoning district classification of the area.

8.1.3.3 A site plan showing buildings and uses in the zoning district proposed to be changed and the requested zoning district classification.

8.1.3.4 A fee shall be paid in accordance with the schedule established by the Township Board of Supervisors.

8.1.4 Deliberation and Decision

Following the hearing, the Zoning Commission, upon due deliberation, shall make a report of its findings and decides on the proposed amendment within 30 (thirty) days after the hearing. In making its finding, the Zoning Commission shall ascertain as to whether the proposal for zoning district amendment is consistent with the township Comprehensive Plan and meets all requirements of these regulations of the township.

8.2 Conditional Use permits

8.2.1 Purpose

The development of these regulations is based upon division of the township into districts, within which district the use of land and building bulk and locations of building and structures are mutually compatible and substantially harmonious.

However, there are certain uses which, because of their unique characteristics, cannot be properly classified as permitted uses in any particular district, without consideration, in each case, of impact of those uses upon neighboring premises. Such uses, nevertheless, may be necessary or desirable to be allowed in a particular district provided that due consideration is given to location, development and operation of such uses.

8.2.2 Public Hearing Notice

Shall be the same as provisions set forth for public hearing notice for zoning district amendment in section 8.1.1

8.2.3 Public Hearings

Shall be the same as provision set forth for public hearing for zoning district amendment in Section 8.1.2.

8.2.4 Data Submission Requirements

Shall be the same as provisions set forth for data submission requirements for zoning district amendment in Section 8.1.3.

8.2.5 Deliberation and Decision

Shall be the same as the provisions set forth for deliberation and decision for zoning district amendment in Section 8.1.4.

8.2.6 Standards

No application for conditional use shall be approved unless the Zoning Commission finds that all of the following conditions are present.

- 8.2.6.1** That the establishment, maintenance or operation of the conditional use will not be detrimental to or endanger the public health, safety, morals, comfort or general welfare.
- 8.2.6.2** That the uses, values and enjoyment of other property in the neighborhood for purposes already permitted shall be in no foreseeable manner substantially impaired or diminished by the establishment, maintenance or operation of the conditional use.
- 8.2.6.3** That the establishment of the conditional use will not impede the normal and orderly development and improvement of the surrounding property for uses permitted in the district.
- 8.2.6.4** That adequate utilities, access roads, drainage and other necessary site improvements have been or are being provided.
- 8.2.6.5** That adequate measures have been or will be taken to provide ingress and egress so designed as to minimize traffic impact on the area.
- 8.2.6.6** That the conditional use shall substantially conform to all applicable regulations of the district in which it is located.

8.2.7 Conditions and Guarantees

- 8.2.7.1** Prior to the decision on any conditional use, the Zoning Commission may stipulate such conditions and restrictions upon the establishment, location, construction, maintenance and operation of the conditional use as seemed necessary to promote the public health, safety and general welfare of the township and to secure compliance with the standards and requirements specified in Section 8.2.6. In all cases in which conditional uses are granted, the Zoning Commission shall require such evidence and guarantees as it may deem necessary as proof that the conditions stipulated in connection therewith are being and will be complied with. Unless otherwise determined in writing by the Zoning Commission, the term of a conditional use permit shall be one (1) year. The landowner or person of interest – or their successors or assigns – who holds the conditional use permit has

the burden to re-apply to the Zoning Commission should they desire to continue the conditional use.

8.2.7.2 No alteration of a conditional use shall be permitted unless approved by the Zoning Commission. Where the Zoning Commission has approved or conditionally approved an application for a conditional use, such approval shall be come null and void within 12 (twelve) months of the date of the Zoning Commission action unless the use is commenced or construction in underway.

8.2.8 Surety Bonds

Any conditional use permit (for a project exceeding \$50,000.00) will not be issued without an adequate surety bond that ensures the property will be returned to a condition agreeable to the involved parties. The amount of the surety bond will be determined by the Zoning Commission.

8.3 Variances

Variance from the terms of these regulations may be granted provided that the applicant establishes proof of practical difficulty or undue hardship.

8.3.1 Public Hearing Notice

The Zoning Commission shall hold a public hearing, a notice of which shall be published at least 15 (fifteen) days prior to the hearing in the official newspaper of the county. The notice of hearing shall include: (1) the time and place of hearing; (2) description of the property by street address for platted lands and clearly identifiable location for the unplatted lands; (3) the proposed use and requested zoning district change; (4) time and place for public inspection of the documents before the hearing.

8.3.2 Public Hearings

The Zoning Commission at the hearing shall listen to all persons who may speak in support of or in opposition to the proposal. Upon the completion of its review, the Zoning Commission may require additional information before it completes its findings and takes action.

8.3.3 Data Submission Requirements

Petitions for variances shall be submitted with the following information.

- 8.3.3.1 Legal description of the area proposed to be rezoned, the name and addresses of all owners of property lying within one mile of the site.
- 8.3.3.2 A map showing existing land uses and zoning district classification of the area.
- 8.3.3.3 A fee shall be paid in accordance with the schedule established by the Zoning Commission.

8.3.4 Deliberation and Decision

In making its finding, the Zoning Commission shall ascertain that the requests for variances is consistent with the township Comprehensive Plan and meets all requirements of these regulations and other regulations of the township.

8.3.5 Standards

No application for variance shall be approved unless the Zoning Commission finds that all of the following area present.

- 8.3.5.1 That special conditions and circumstances exist which are peculiar to the premises and which are not applicable to other premises in the same zoning district.
- 8.3.5.2 That literal interpretation of these regulations would deprive the applicant of rights commonly enjoyed by other properties in the same zoning district.
- 8.3.5.3 That the special conditions and circumstances have not resulted from actions of the applicant.
- 8.3.5.4 That granting the variance requested will not confer upon the applicant any special privileges that are denied by these regulations to other premises.

8.3.6 Justification

- 8.3.6.1 The variance is the minimum, which would make possible a reasonable use of the premises.
- 8.3.6.2 That granting of variance will be in harmony with the general purpose of these regulations and will not be injurious to the surrounding premises, neighborhood or the city and will not be

contrary to the Comprehensive Plan the purposes of these regulations.

- 8.3.6.3 That there is practical, difficult, or unnecessary hardship in use of the premises if the strict application of the regulations were to be carried out.

8.3.7 Authorized Variances

A variance shall not be granted for any yard or setback less than they yard or setback as required by these regulations.

- 8.3.7.1 To reduce not by more than twenty percent (20%) the applicable requirements for lot area and lot width.

- 8.3.7.2 To reduce the applicable off-street parking or loading facilities by no more than fifty percent (50%) of the requirements.

- 8.3.7.3 To permit the use of lot of record if it is smaller than the minimum size required by these regulations.
